Announcement: Chapter Head Elections (2025–2027)

All applications for PSIM Chapter Heads have been received and carefully reviewed by the committee. The list of selected candidates has been published in PDF format and is available here for **viewing or download**.

- For chapters where there was only one eligible candidate, the candidate will be **declared elected unopposed** as Chapter Head for the term **2025–2027**.
- For chapters with more than one eligible candidate, **elections will be conducted**. Voting will take place through a customized Google Form, accessible via the link provided.

Important Voting Instructions:

- Only **Lifetime Members** of PSIM are eligible to vote.
- Votes cast by **non-members, associate members, or members outside the respective chapter area** will be discarded.
- All eligible Lifetime Members are requested to cast their votes within the given timeframe.
